FAMILY TIME NEEDS A SPARK

Neon Spin

Spin. Laugh. Repeat. A neon prompt wheel for family fun.

Playing with friends or family is fun, but it can be hard to think of what to say or do. Neon Spin gives you a prompt with one tap.

- Made for time with friends and family
- The core is a prompt roulette

02

Tap, spin, and play

Spin the wheel and a prompt appears. Then add your own prompts for jokes only your family knows.

- Tap the wheel or the SPIN button to spin it
- Five colors: Talk, Act, Memory, Wish, Ours
- The last 5 prompts are shown as a history
- Add or delete prompts in the Our prompts tab

03

Your own prompts, your own fun

Your family's prompts make every spin feel personal. They are saved in your browser, and you can switch between Japanese and English.

- Your prompts stay in this browser only
- You can restore the starter prompts anytime
- Switch between Japanese and English with one button
- Next: an optional finishing touch is still being discussed
